Thank you for attending our Matariki celebration last night. It was great to have everyone together and to show you the work the children have been doing on the Creatives in School project. It was a special way to celebrate their learning. Thank you to Miss Edlin and the students for making the soup for us to share yesterday, and thank you to Miss Edlin for making the fry bread over the weekend. It was delicious! We would also like to thank Jessie Cornell for working with our students over the past two terms.

Congratulations to Hunter R. who qualified for the Central Otago Swimming Sports being held in Wanaka today. Hunter is competing in the Year 5 Boys 25m freestyle race.

The Junior Room ice skating programme finishes on Friday. It is always great to see the progress the children make after six weeks on the ice. Thank you to the parents for taking transport each week.

The Senior Room Ski Camp is in Week 1 of next term (Wednesday 19 July - Friday 21 July) and we are in the process of getting everything organised for this. Please return the permission and health form that was sent home last week by Friday 30 June.

Today we are resending the videos from John Parsons cyber safety presentation in 2021, as well as some parent toolkit links from the Net Safe website around online safety for your information. We encourage you to take some time to view these and to talk to your children about using devices appropriately and what to do if inappropriate material is accessed (turn it off and tell an adult). At school we are also reinforcing these messages. We have been working with our internet network providers to review and strengthen our cyber safety systems and protocols at school. Additional measures have been placed on the school ipads to further restrict the possibility of inappropriate content being searched up and accessed by students.

Reports and Portfolio Books will be sent home on Thursday 29 June. Please return the Portfolio books to school on the first day of next term.

Glenorchy School closes for the term on Friday 30 June. It has been a busy term and we hope everyone has the chance to relax and rejuvenate over the winter break. We look forward to welcoming everyone back on Monday 17 July.

**Student of the Week**

	<b>Junior Room</b>	<b>Senior Room</b>
Week 8	Tim - For being kind and caring when his friend was sick.	Hunter - for all the enthusiasm and effort he's putting into learning his lines for the play.
Week 9	Alex / Henry - Showing responsibility in class.	Izzy - For her awesome attitude to all aspects of her

**Paula, Kelly, Roshell and Gorettie**

## NetSafe Online Useful Links:

### Online Safety Parent Toolkit

is a wider framework for helping parents navigate online safety with their young people.

For some whānau, parental controls may be an appropriate solution to help filter out graphic content.

## ROMEO THE ELEPHANT'S DIGITAL FOOTPRINT A Cyber Safety resource for adults and children ages 5 to 10 years

By John Parsons

A fun way to read an age-appropriate story to your child or students about a topic that is at its core child protection education. Follow along with Romeo the Elephant as he spends a day in the Jungle with family and friends, learning valuable lessons as he goes.

This is also a book for adults with important information and tips on how to keep children safe online located at the back of the book.

A 21-page illustrated book in A4 landscape format.

\$25.00 each with free postage within New Zealand.

## Keeping Your Children Safe Online By John Parsons

This book is a must read for parents, grandparents, and children 11+ years so everybody is on the same page...literally. There are 154 pages of information helping you become a confident guardian in a digital revolution. It will empower your child to make choices that protect them.

Topics covered include

1. Family Values: Anchoring your child to what's important
2. Cyber-Separation: Keeping those lines of communication open
3. The Acceptable Use of Digital Devices: It's all a matter of balance
4. Online Sexual Predators: Giving control to your child, not the stranger
5. Sexting: Keeping it appropriate and knowing how to repel unwanted attention
6. Cyber-Bullying and how to respond to it
7. Protecting Your Child's Online Reputation
8. Cyber-crime and Cyber-security: When we over-share personal information
9. Online Gaming and Pornography Addiction

\$35.00 each with free postage within New Zealand.
