School News

Welcome to River who joined the Senior Room yesterday. It is great to have you here.

The end of term is approaching fast and we still have a lot happening in these last two weeks before the holidays. In addition to that, planning is underway for some of our major events in Term 3. Our Year 5 - Year 8's are already very excited about Ski Camp. Please remember to return the Ski Camp forms to Gorettie by Friday 2 July.

The children are also looking forward to presenting their production "**Alice in Wonderland**" to you on **Tuesday 17 August, 5:30pm** at the Hall. Please make sure you have this date and time marked in your diary.

Reports and Portfolio books will go home on Wednesday 7 July. You are welcome to keep the Portfolio books at home over the holidays if you wish, but please return them on the first day back next term.

On Thursday 8 July, Jerome Kavanagh will be visiting Glenorchy School to take a hands-on workshop with the students called "Taonga Puoro - New Zealand Songs and Sounds of Nature". The students will hear and see a collection of over 40 individual and diverse Taonga Puoro instruments played by Jerome and learn about these ancient instruments gifted by our ancestors to these lands. Staff will also be attending a Hauora Professional development session in Arrowtown that Jerome is running for teachers in the Wakatipu Basin.

Please come along to school on Monday 5 July at 8:00am for our Matariki Breakfast in the Tech Room. The Senior Room students will share their pepeha and the Junior Room will perform the Matariki Macarena for you. We will also be serving light refreshments (fry bread and jam, tea, coffee and milo).

Next term, the Board of Trustees will be working on developing our school charter and strategic plan for 2022 and beyond. It is really important that we have input from the school community, staff and students so that a shared vision and goals for students can be identified. Therefore, we would like as many of our parent community to attend a meeting on Tuesday 10 August at 7:00pm in the Junior Room to discuss your ideas and vision for Glenorchy School. You are most welcome to bring your children along. Further information will follow at the beginning of next term, but in the meantime, please diary this date.

Things for entries to bear in mind:

- You will be performing on a large stage - so the more you move around the better

- The greater your facial expressions are the easier it will be for people to see your intention. Especially if you are funny. Make-up is encouraged.
- Tie-ing in the movement with the lyrics will get higher points, than just putting together a dance.
